Procedures for enforcement of the above disciplinary actions:

- a. An incident report must be completed by the Transit Provider anytime a passenger is in violation of the above mentioned responsibilities and an action or suspension is requested. A copy of the incident report is to be submitted to Lower Savannah Council of Governments within 24 to 48 hours of the incident.
- b. The Lower Savannah Council of Governments, after reviewing the incident report, will respond to the action and/or suspension being requested.

- c. The passenger being considered for action and/or suspension from riding the public transit system has the right to appeal the action to the Transit Provider Director.
- d. The Transit Provider will be responsible for contacting the affected passenger. Notification of the action including the appeal process will be sent in writing by certified mail by the Transit Provider with a copy to Lower Savannah Council of Governments. If applicable, the notification will include the date he/she may resume using the Best Friend Express and Dial A Ride system.
- e. Nothing contained herein shall restrict the employee of the Transit Provider operating the vehicle to refuse on a specific occasion to transport a person who is intoxicated or whose presence on the vehicle would create a risk to the safety of the operator or passengers as allowed by South Carolina Code Section 58-23-1830 (b) or (c).
