Best Friend Express/Dial A Ride Transportation System
FOR OUR OUT-OF-TOWN VISITORS

The Best Friend Express (BFE) bus system is general public transportation for everyone. There is also a companion program known as **Dial A Ride (DAR)** which is only available to eligible passengers who have a disability that prevents them from using the Best Friend Express bus system. Dial A Ride is an ADA Complementary Paratransit service that picks up and drops off program passengers within ¼ miles of the regular BFE bus routes.

Dial A Ride eligibility for passengers requires an application process. We recognize that VISITORS to our area may have already successfully completed their eligibility determination for their local ADA Complementary Paratransit Service in their hometown. Please feel free to make reservations for Dial A Ride transportation in Aiken County for use up to 21 days, over a 365 day period, if you have already received this type of eligibility before.

If you find you need Dial A Ride transportation for a longer period than 21 days, over a 365 day period, we invite you to apply for a local eligibility determination in order to continue receiving services.
